

# YOUR SINGLE SOURCE

## FOR SUPPLY CHAIN EXCELLENCE

GLOBAL SUPPLY CHAIN  
CONSULTING

TECHNOLOGY  
IMPLEMENTATION

MATERIAL HANDLING  
INTEGRATION

BENCHMARKING &  
BEST PRACTICES

Tired of dealing with multiple sources in your quest for supply chain improvement?

**Look to Tompkins Associates as your single source for supply chain consulting, technology implementation, material handling integration, and benchmarking and best practices.**

We are the only company that provides end-to-end supply chain services — from your supplier's supplier to your customer's customer. Our practical, innovative solutions lead to improved supply chain performance and value-based results. All this springs from a single source who has championed major supply chain transformations worldwide over the past 30 years.

FOCUSED ON  
BOTTOM-LINE RESULTS  
THROUGH INNOVATION,  
INTEGRATION, AND  
IMPLEMENTATION

Tompkins Associates designs and integrates solutions for companies that embrace Supply Chain Excellence.

**Innovative** — Tailoring the latest supply chain best practices to your needs.

**Experienced** — Leading hundreds of supply chain transformations worldwide for over 30 years.

**Dynamic** — Harnessing change and turning its energy to your advantage.

**Invested** — Taking on your challenges and treating them as our own.
