A S S O C I A T E S

# Seven Habits of Highly Successful Supply Chains

1. Understand and Communicate
- 2. Benchmarking and Best Practices**
3. Leadership
4. Assess and Prioritize
5. Core Competencies
6. Partnership
7. Continuous Improvement

# Benchmarking and Best Practices

- Use Benchmarking (metrics) to plot Best Practices.
- How are you doing in comparison to others?
- Are your costs reasonable and in line with others like you?
- Are you missing any breakthrough opportunities?
- How can you build a consensus around a supply chain path forward?

# Benchmarking and Best Practices

## Supply Chain Consortium

- Strong industry leadership
- World-class tools
- Right participants
- Subscriber centric
- Excellence in networking

# Conclusion

- This concludes Module 2. If you would like to continue on to the next module, select the below hyperlink:
