

# TOMPKINS SUPPLY CHAIN LEADERSHIP FORUM

Connecting. Sharing. Learning.

## What is SCLF?

The Tompkins Supply Chain Leadership Forum (SCLF) brings supply chain executives together from various industries to Connect, Share, and Learn.

## Why SCLF?

**Connect** and network with 200+ peers and colleagues in your industry.

**Share** your knowledge, experiences, and challenges with others in your industry.

**Learn** from subject matter experts who will share the latest trends and content in supply chain and how it can be applied to your own operation.
